Dear Readers,

5/23/72

As you can see, we've made many changes in this year's annual. We believe they are changes for the better and feel you will think so too.

Not One Word may seem a strange title for a yearbook but we found that not one word could express the whole school year. So we divided the book into five major categories: Pride, Spirit, and Enthusiasm, Leadership, Honor and Achievement, Involvement and Cooperation, and Mutual Respect and Understanding.

All of these divisions in words alone describe the year for all the students, faculty, and administration. We hope as you read this book, you'll recall many of the happy memories you've had at SHS.

Sincerely,

Dave Hobe

A First For Stockton

Undefeated all the way!! For the first time in the history of SHS a Tiger football team went all the way to win the State Championship without a single defeat. Because of this team's teamwork and skill, it was rated the No. 1 2A team throughout the entire season. Tears of joy filled the eyes of Tiger fans at Baldwin as they realized that Stockton truly was No. 1. It was a season that will always remain in the hearts of Stockton Tigers.

Stockton's No. 1 In Action

Team Work Responsible For Tiger's Success

Usually a team is marked by one or two outstanding players, but Stockton's 1972 team boasted a whole team of hard-working, well-trained players. The six pictures on these pages show Tigers in action.

Dave Schneider makes a first-and-ten, thanks to the blocking of Randy Nyp (80) and Rick Johnston (81).

Randy Nyp (80) intercepts a pass and outruns Plainville's Mike Williamson for the first touchdown against the Cards.

Wayne Kee (19) intercepts a Baldwin pass at the State play-off game.

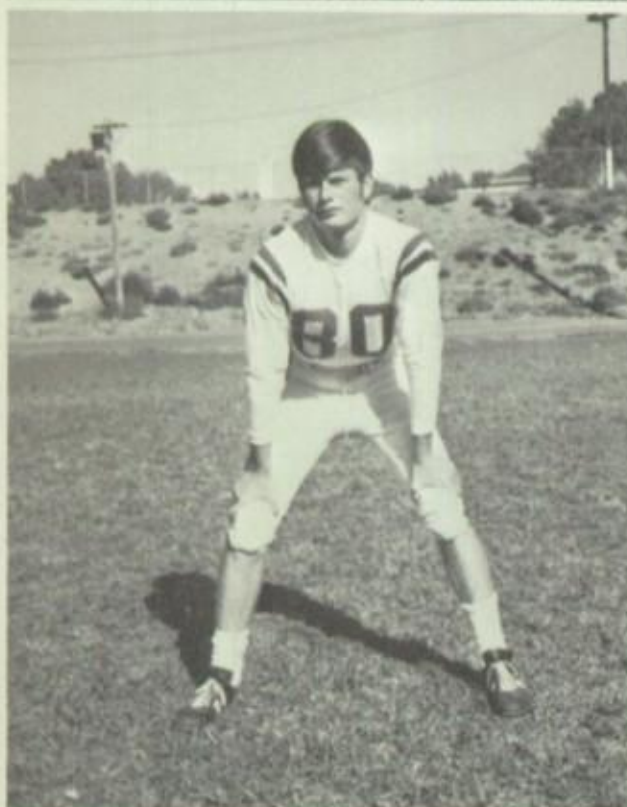

Bob Saunders (7) breaks through the line.

Don Jenkins (41) leads Dave Schneider (5) for a Tiger power sweep.

Jerry Harding (35), Don Jenkins (41), and Randy Nyp (80) demonstrate the strong Tiger defense.

Tigers Claim 3rd In League Send Two To State Tourney

The Tigers showed desire and determination during the 1971-1972 Wrestling season.

At the Hays High Invitational Tournament, the S.H.S. grapplers ranked fifth in competition with some of the largest schools in Kansas and Nebraska.

The boys pinned down the 3rd place standing in the League Tournament and in League placing.

Shawn McCall, Dave Schneider, John Hageman, and Don Jenkins placed in the District Tournament, enabling them to move on to the Regional match. These four boys placed seventh over all, and Jenkins and Hageman earned berths in the State competition. Both boys took third individually, placing Stockton ninth in the tournament.

Sooner or later you're going down!

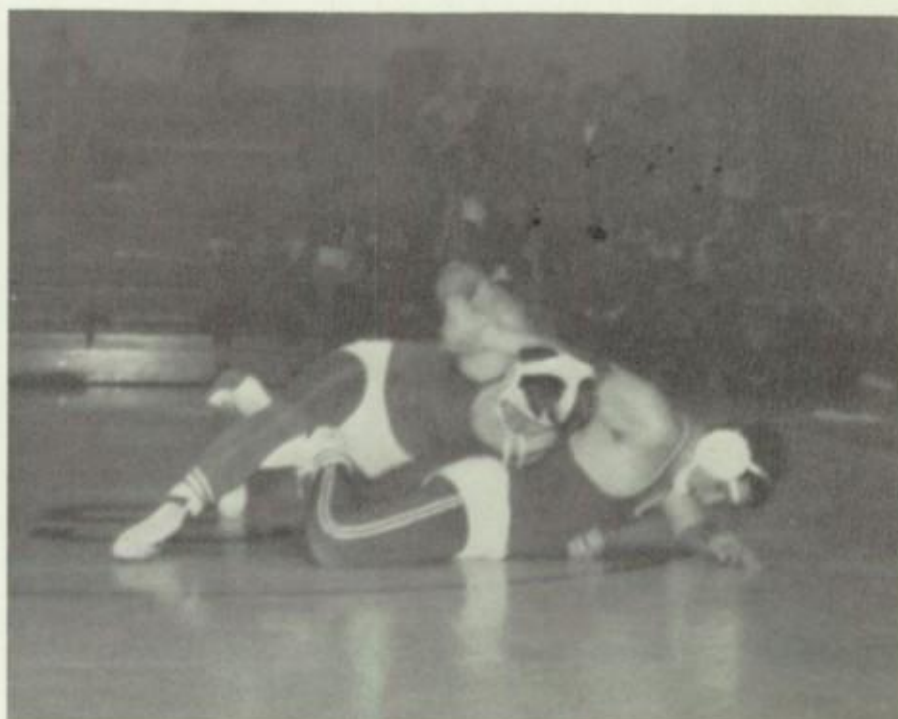

Mr. Hart: "Oh Lord, please!"

Heads or Tails??

Don Jenkins: "Ain't the guy pinned yet, ref?"

John Hageman: "Pheew! He forgot his Rightguard!"

Fabulous Four???

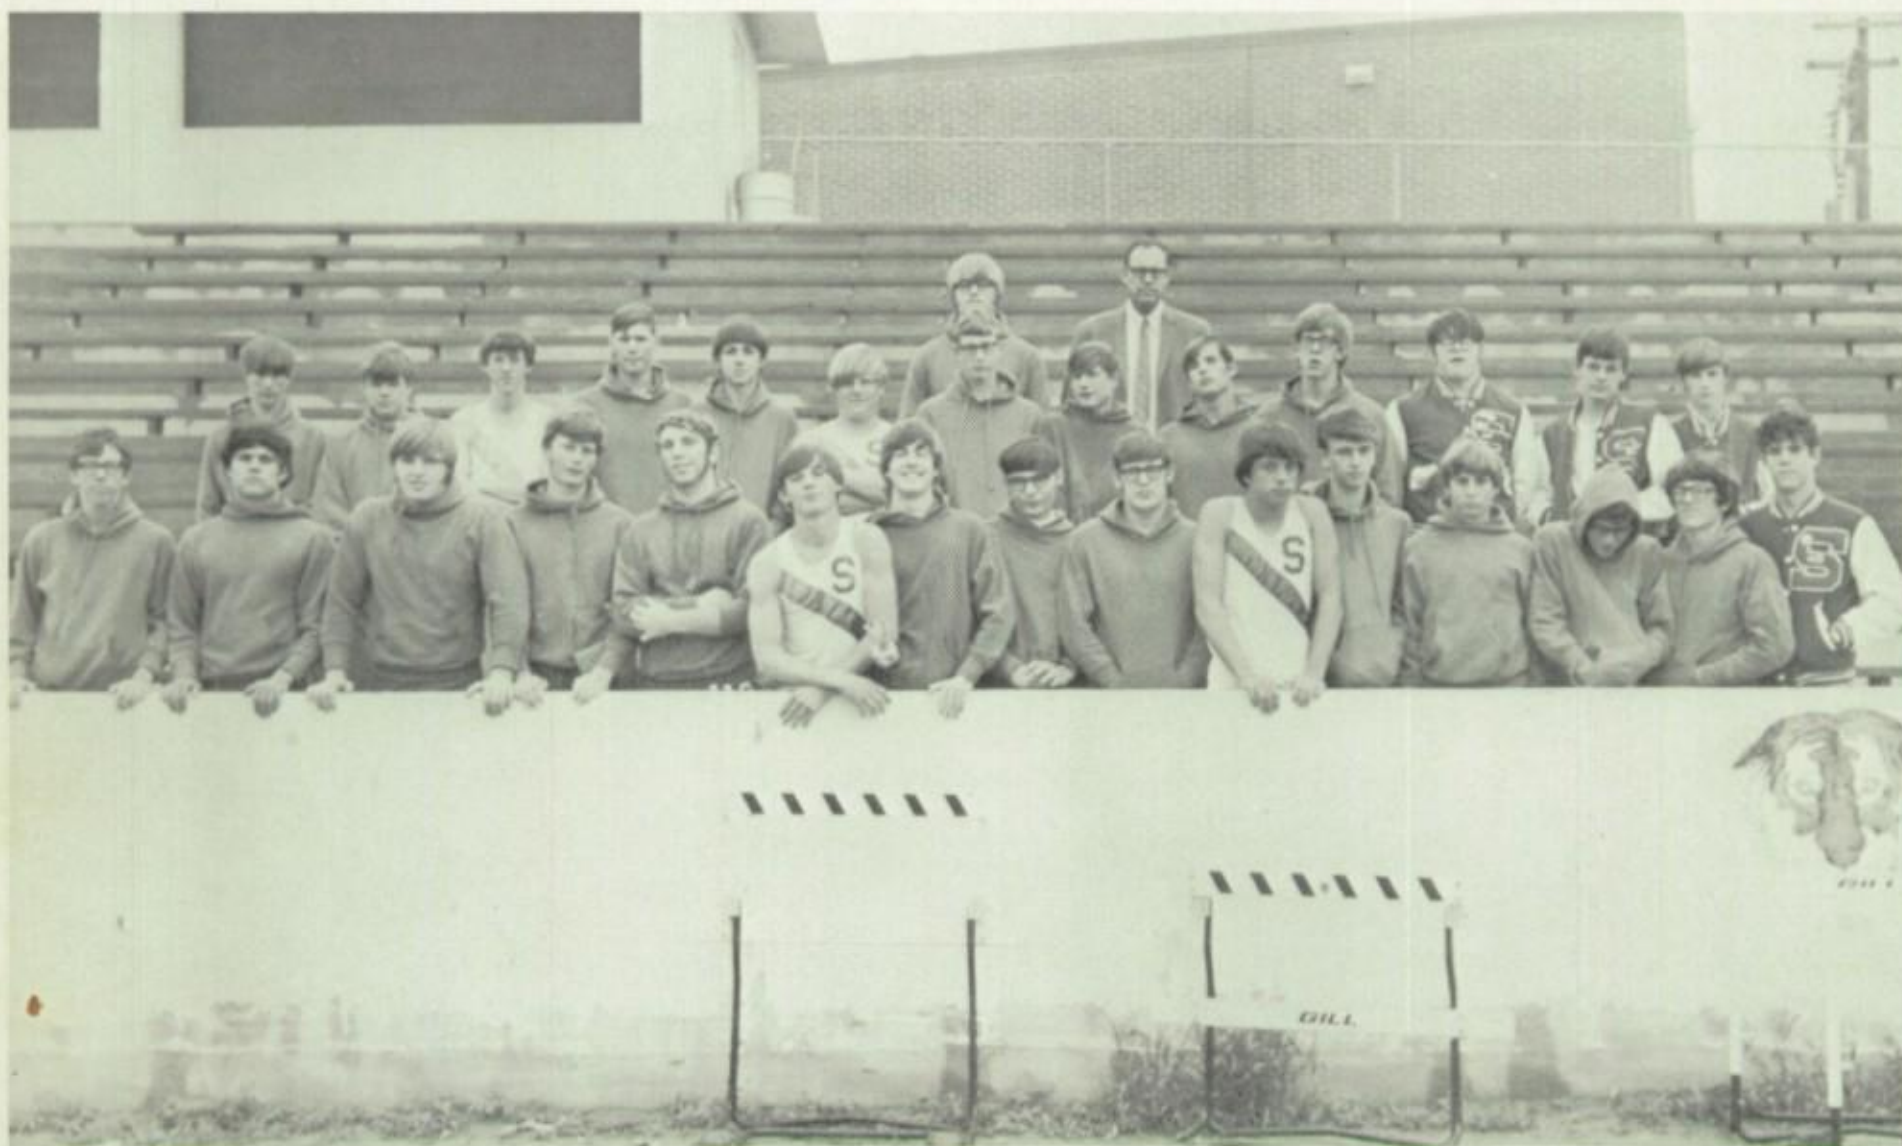

Shawn McCall: "You're not crawling away from me, buddy!"

Dave Schneider: "Wish he'd quit scratchin' my back!"

Run, Jump And Throw SHS Track '72

A Letter from the Coach

I thought the 1972 track season was a very successful one. There have been years when we scored many more points at the meets, but not many squads can touch this one attitude wise. I just enjoyed being around these boys because they all got along so well. I credit this to our Senior and Junior leaders and to the type of boys the Freshmen and Sophomores are.

We had three records that were broken this year. Mike Hollern set the high jump record, Randy Nyp set the long jump record, and Marlin Locke set the two-mile run mark. Bob Saunders placed in every meet he was in this year in either the shot-put or discus. Butch Marshall is one of the finest freshman half milers in the state. He is complemented by many other fine underclassmen.

Probably the highlight of the year was our Freshman and Sophomores winning the Mid-Continent League Fr. -Soph. meet. Stockton High School should have something to look forward to next year.

Coach Jack Miller

Experience Marks '72 Golfers

Kerry McCue practices his golf at the fairgrounds along with the rest of the SHS golfers.

Three Seniors out for golf this year have been playing for four years. Barry, John, and Steve, otherwise known as the Senior 3, make up three-fourths of the 4-man team with Joey, a Junior as the fourth member.

The team members are shown on the opposite page. They are as follows: 1st ROW: S. Riffel, B. Hageman, B. Bagby, R. Stewart, and K. McCue. 2nd ROW: B. Hamilton, J. Bellerive, S. Arpin, J.D. Neirmier, J. Hageman, S. Scott, and Mr. Scott, golf coach.

Across The Land In Cross Country

Cross country is one of the first events of the school year. The race consists of a 2-mile run mapped out on a golf course, with almost 100 contestants in each race.

This year's cross country team was one that Stockton can be proud of. Each boy exerted individual effort to make a good showing for SHS.

The team had 2 outstanding members. . . Marlin Locke and Butch Marshall. These two boys medaled in nearly every race. In order to medal they had to place in the top ten finalists. Marlin went on to represent Stockton at the State Cross Country Race.

They Cheered — They Smiled —
They Laughed — They Cried —

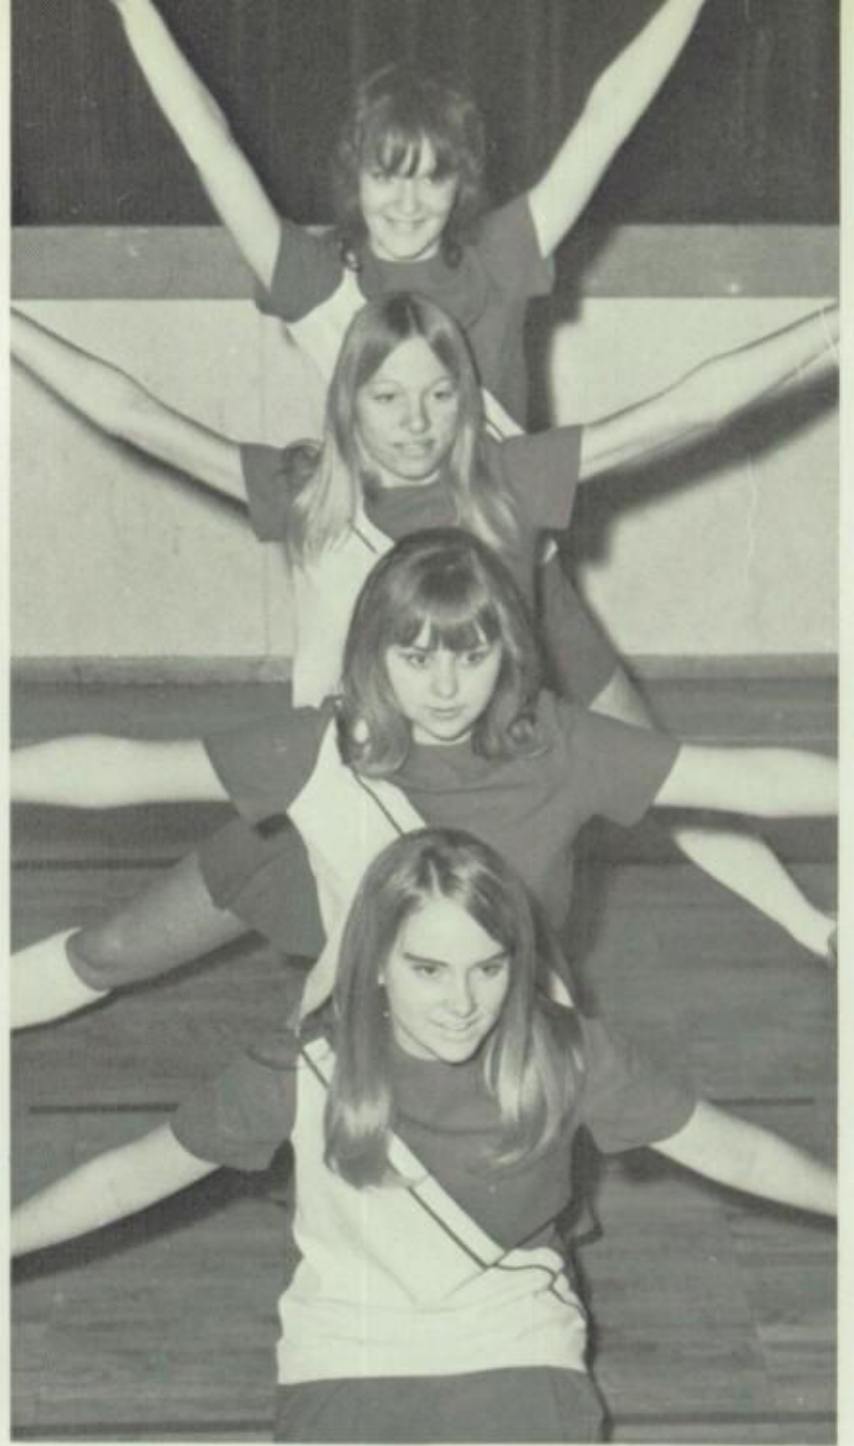

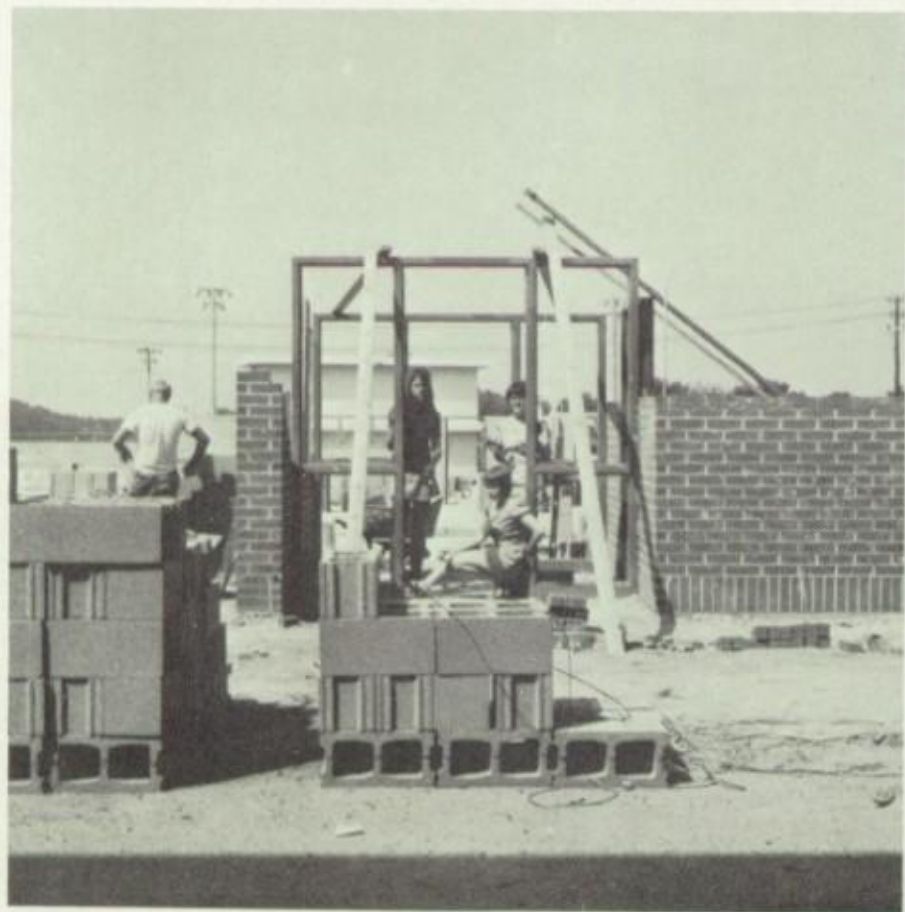

They've Got the Zip!!!

The SHS cheerleaders showed much spirit this year. They helped to rouse the enthusiasm needed by students and townspeople to cheer the Tigers to victory.

From the beginning, these girls found themselves in a rush of pep assemblies, pep rallies, games, and hall decorations. The cheerleaders encouraged the players by baking cakes for them and decorating their lockers. They succeeded in getting the boys to yell at pep assemblies. All of this helped create the fever to win.

A-Team cheerleaders shown above are Shannon Krysl, Cindy Turnbull; head, Becky Waller, Becky Korb, Shelly Conn, and Cheryl Turnbull. B-Team cheerleaders in the swings on the opposite page are Chris Jenkins, Jeannie Stewart, Carol Denio, and Cindy Laska; head.

here... Can
I make it
on my own

"I'm so nervous... Is my cap still crooked?... I hope that speaker makes it short and sweet... Hey, dummy, you got your gown against the dirty chalkboard... Don't forget to take your hats off during the prayers, boys... Now remember, start out on the left foot... Do we shake with our left hand and take with our right?... Do carnation stems have thorns?... Hey, man! You got my collar... I think I got someone else's hat-this one goes over my eyes... What song does the mixed chorus sing?... Oh, I forgot my speech... I need a mirror... I think I'm going to cry... It's not the homework I'm going to miss-it's my friends..."

These are a few fragments of the conversation that took place before graduation exercises. There was a feeling of joy and accomplishment along with a feeling of sadness-- sadness caused by the realization that after this night everyone in the class would all go separate ways.

The sounds of sweet female voices and strong male tones floated up the stairs from the music room.

This year the Stockton High School music department was blessed with a variety of groups. Under the direction of Miss Pankratz the young voices combined to form a Girls' Glee and Boys' Glee, Mixed Chorus, Boys' Fifteen, Girls' Triple Trio, and Mixed Ensemble.

In cooperation with the band, the vocal department presented fall, winter, and spring concerts. Throughout the year the different groups performed at various town meetings and assemblies.

Left-Right!...

Left, right, left, right, two-edle dee-dee and rut-a-tum tum. Stockton's marching band hit the field of green.

During football season the 1971-72 S.H.S. marching band, under the direction of Mr. Nicholas, gave preformances involving complicated drill steps and enjoyable music.

The band members also had to learn to step over a voluntary member of the band, Spike. Who could ask for more? Music so good even the animals join in!

The Sound Of Music

Along with a marching band and pep band, Mr. Nicholas directed a concert band. The members of this group presented fall, winter, and spring concerts for the community to enjoy. The types of music presented ranged from classical to pop.

Mr. Nicholas directed the band at music contests during the year. The band recieved a II Rating at the State contest which was a 3A contest, and a I Rating at the League contest.

Townspeople and students agreed that Stockton's concert band was as good as ever and they hope that it will be as good in the future.

Here Comes The Leader Of The Band

Elizabeth Zoller certainly found her hands full when she took the job of majorette of the Stockton marching band. Along with leading the band at halftime shows, Liz also directed the pep band at assemblies, led downtown band parades, and drilled the marching band.

All School Play at S.H.S.

Stockton High School saw its first all-school play when the student body presented "Plaza Suite". This Neil Simons play had its setting in a hotel room. The play depicted the anxieties of a wife forgotten on her anniversary, a married woman, guilty of visiting her "old friend" in his hotel suite, and a frightened daughter whose parents could not persuade her to come out of the bathroom to get married.

FHA Helps Community And School

This year FHA members carried out such activities as Mr. Homemaker contest during FHA week, a faculty appreciation dinner, and a Cerebral Palsy drive.

During the football season a great deal of time and effort was needed to set up and run the concession stand. However, the organization earned nearly \$1000 in profits for their time and effort.

Approximately thirty girls attended the state meeting in Topeka. Besides attending the meetings, the girls went on shopping sprees and toured the Menninger Mental Clinic. On the way home the girls visited Kansas State University.

FHA Parents Night A Time For Seniors

FHA parents night is a time for Senior members and their parents to come together for the final FHA meeting. During this evening Seniors received special recognition for their work as FHA members. Mrs. Griebel received gifts as tokens of the members appreciation of her leadership. The evening was climaxed with the installation of new officers, and Debra Hrabe bestowed the gavel upon Susan Wagner.

Kays Expand Their Education Through Worthwhile Programs

Programs for Kays this year combined both education and entertainment. The first meeting was a presentation by Steve Scott. Steve explained regulations and costs of skydiving plus several of his own "high" experiences.

Harry Colburn presented a program showing slides of his 4-H sponsored trip to Washington D.C. They included such historic sites as the Washington Monument, the Lincoln Memorial, and the U.S. Capitol.

Donnie Lowry, a former Kay and Stockton student, related his experiences in the army while stationed in Germany. Afterward, he answered questions about his army life.

Another program was a show of talent by several speech students.

New officers for the 1972-73 F.F.A. year were installed at the annual F.F.A. Banquet May 4th in the high school gym. During the ceremony Harry Colburn handed over the president's gavel to the new president, Larry Poore.

Ghosts And Goblins And F.F.A.

When the moon is full and the witches fly the F.F.A. members prepare for their annual F.F.A. Goblin's Glory.

Members set up booths and conducted a variety of games. An auction provided entertainment for many while others tried their luck at prizes.

All evening pennies were cast as votes for Goblin's Glory King and Queen. Jim Stice and Katy Laska were elected. Shelly Conn and Harry Colburn, 1st attendants, with Cindy Turnbull and Steve Cook, 2nd attendants.

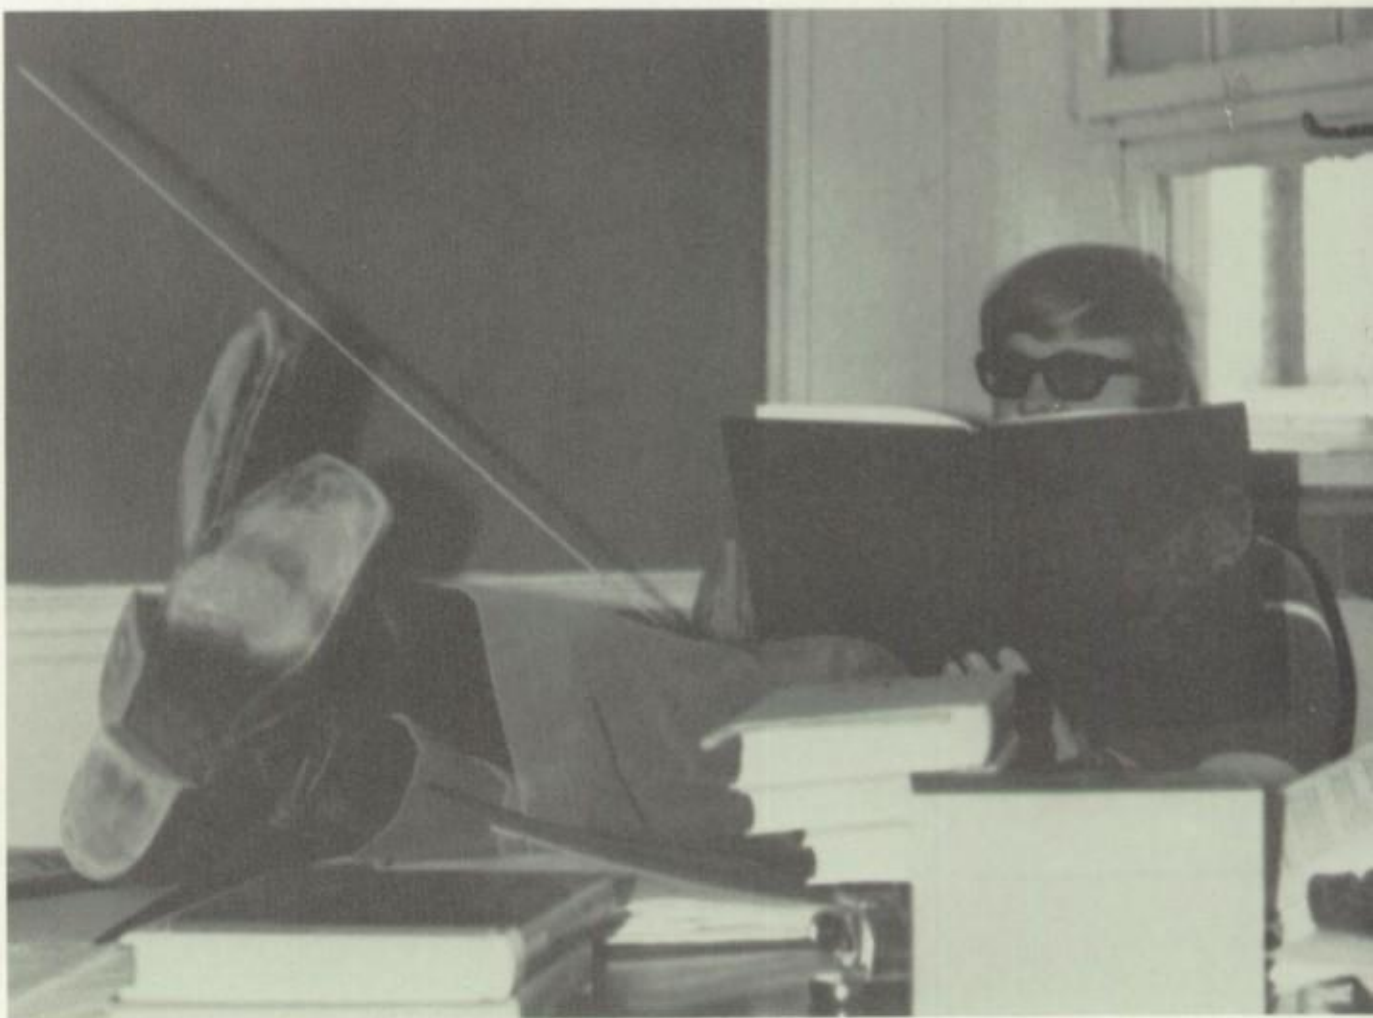

Journalism Ain't Pud!

"Seniors in this class will not graduate until the yearbook is finished." Students enrolled in Journalism class found multitudes of hair-raising experiences while making the yearbook (below).

"How do you use this proportion wheel?"... "Don't even try and talk to me"..."My croppers are crooked"..."That is the lousiest layout I've ever seen!"... "Do it over"..."Look what the orange cropping pencil does to the floor."

During the year students learned the basics of writing copy, taking pictures, and layout techniques. The class also had to devise ways of making money to pay for the book.

Now that the book is completed, journalism students can say,

The Excitement Of Homecoming

As preparation for the long-awaited week commenced many comments flew... "I'm not going to sit on those hard bleachers they brought from Plainville"... "If you win the game tonight, you won't have a history assignment, but, if you lose, you still won't have an assignment"... "It's not every day the teachers smell like popcorn"... "I know the Senior float will get first place." Everyone initiated their Homecoming plans: Teachers struggled to pop up to 1000 boxes of popcorn. Each class strived to produce a #1 float. Store owners plastered their windows with spirited slogans. Cheerleaders and Pep Club Council decorated the players cars and organized the Thursday night bonfire and pep rally, which added inspiration to the already throbbing excitement. City Hall was decked from top to bottom, and most important of all, the players ate, drank and slept football.

Here Comes The Parade

The afternoon parade boosted pre-game spirits. Seniors received first place on their float. Then, Sophomores, Freshmen, and Juniors followed, respectively. Throngs of people filled the stadium, not only to see the game but the crowning of the Homecoming queen and king, Becky Waller, and Bob Saunders. Becky Korb and Randy Nyp were the first attendants and Connie Poore and Steve Fisher, second.

The end of the week was climaxed by a stinging revenge over Plainville---26-0!

Becky Waller and Bob Saunders crowned each other Queen and King. Becky Korb and Randy Nyp were first attendants. Connie Poore and Steve Fisher received second.

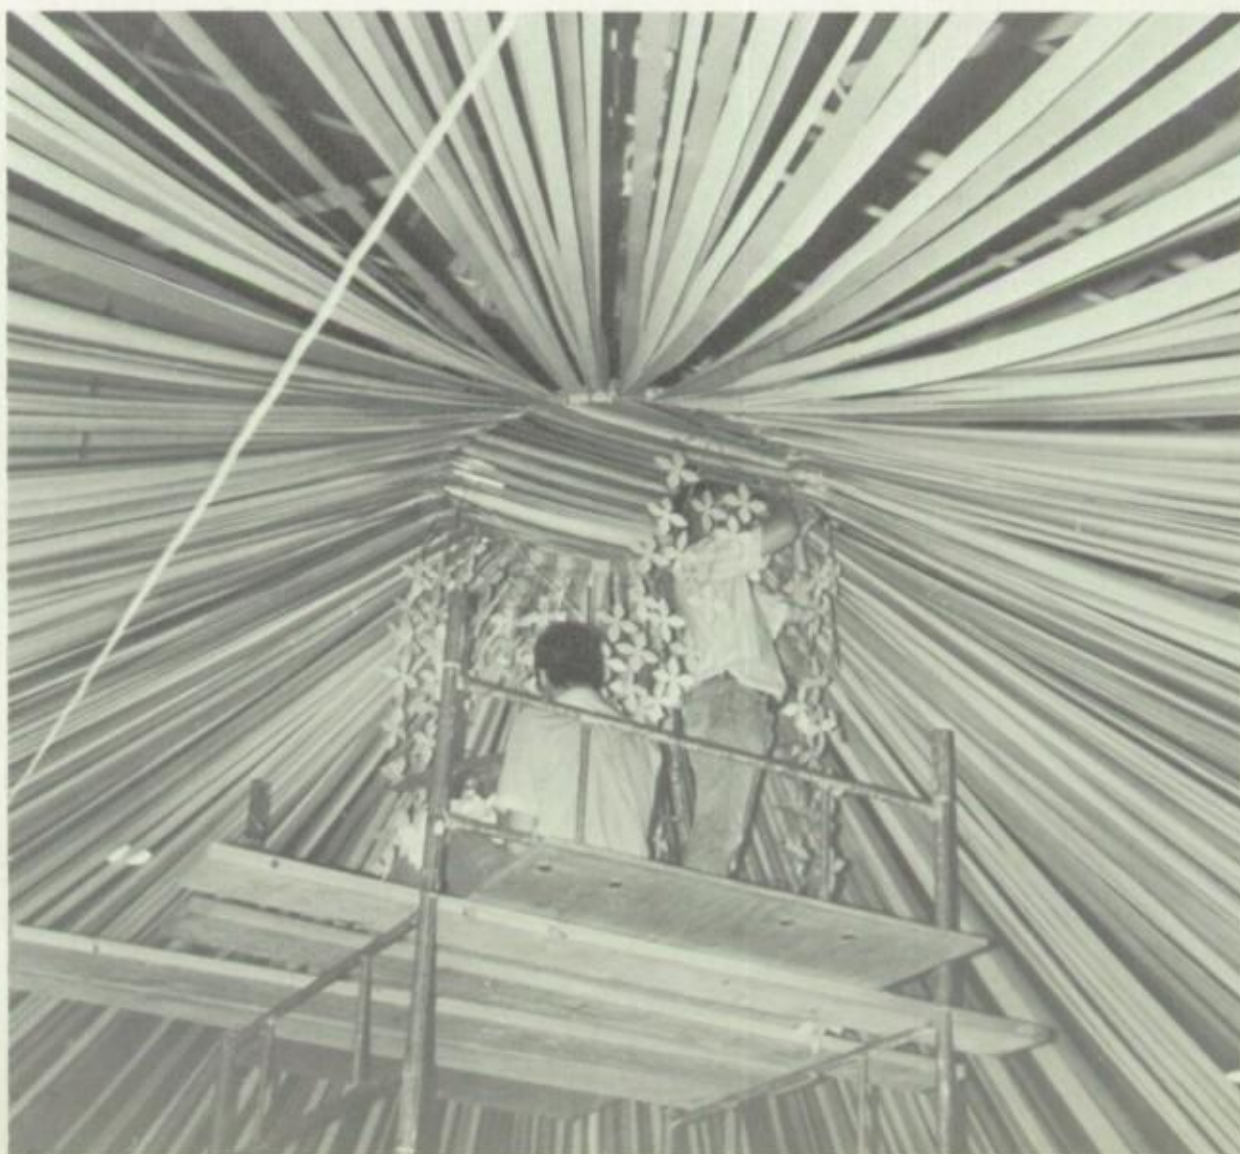

Juniors, Seniors And Faculty Take A Trip To Fantasy Land.

The Juniors sent the Faculty, Seniors and themselves to an Oriental Garden for Prom.

Japanese lanterns hung from the ceiling, a little water fountain became the centerpiece, and blue streamers decorated the auditorium. Chopsticks were even provided for the adventurous; knives, forks, and spoons for the not so daring.

After a delightful supper the tables were removed and the band started to set up on the stage. King Midas and the Mufflers played until almost midnight.

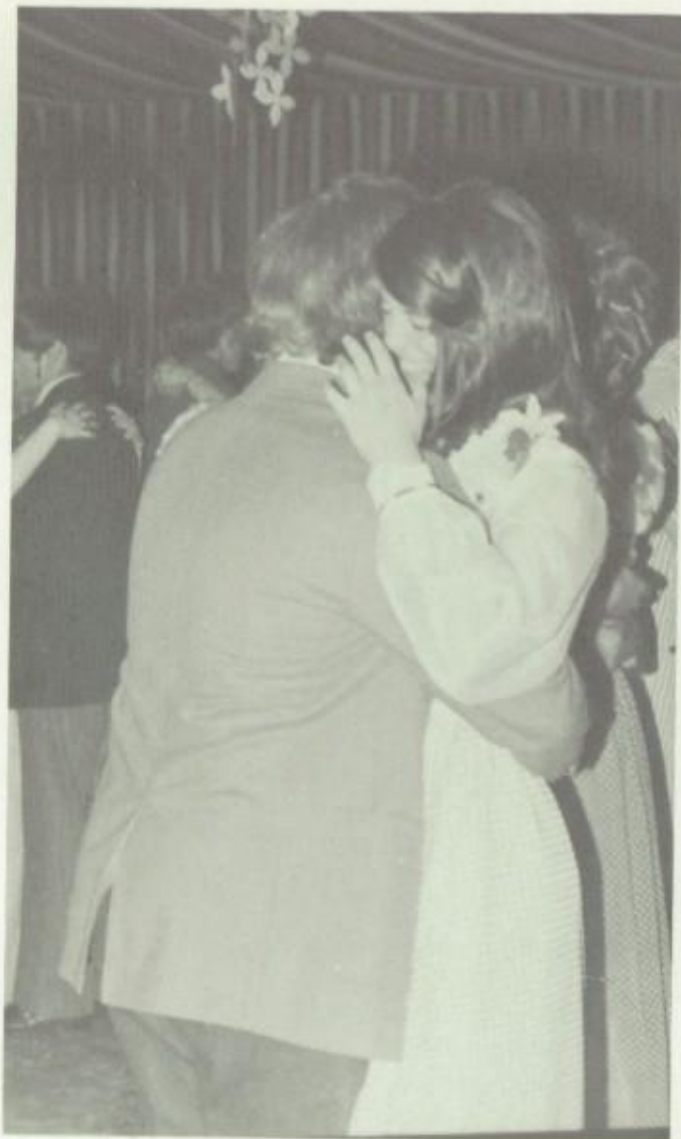

Like always, though, all fun must come to an end. The Oriental Garden was locked up and the next morning the fantasy land had to be reverted into the Stockton High Auditorium.

Will And Prophecy Of The Class Of 1972

BECKY KORB is now a world-famous vet who specializes in the care and feeding of snakes. PATTY KNIGHT is now an olympic volleyball champion and during her spare time she contentedly polishes the many trophies she has won. MIKE KRILEY is employed as an underground engineer digging ditches for his car to jump across. Squaw KATY LASKA and her chief are now the proud parents of their own Indian tribe--heap many papooses! PATTY LOWRY was a stewardess working in Miami, Florida, but unfortunately she is now in Cuba with a cute highjacker. Because of MERRILL MADDY's unique ability to quite loudly clack his tongue, he is presently employed as the race starter for the Indianapolis 500. SARA MARSHALL spends all of her time on a farm in Woodston, yet she still can't tell which end is which on a cow. JONI MCCALL is employed at Joey's Diner as chief cook and waitress. "That's a balogna on rye, Mac!" PAM MILLER is still sitting at home trying to catch up on her bookkeeping and can often be heard to say, "That Leiker Lady sure is a slave driver!" JEFF MORRISSEY is now chief mechanic and joint owner of Waller-Morrissey Motor Company. JERRY NYP just wrote her first book entitled 500 WAYS TO FIX A BALOGNA SANDWICH. Her husband Dick is overjoyed. NINA BALLINGER is now vice-president of Welch's Flower Shop in Plainville. DON JENKINS plays for the Green Bay Packers while his favorite cheerleader, CONNIE POORE sits on the side lines yelling, "Come on Bunnykins!" KATHY DOUGHTY is now hosting her own talk show "Chatty Kathy." HARRY COLBURN has taken off for Marlboro Country for a life of solitude with his 13 year old wife. SONNY CLARK is married to a girl from Damar and they now have 14 tadpoles. DOUG IMAN has become a recluse and lives in the mountains as he did in his boyhood. WAYNE KEE and MIKE GORVER are managing the McComb ranch as the Cheyene Social Club. ALAN HART has been married five times. It is reported his job as Playboy photographer interfered with his wives. BARRY HAMILTON has been in jail for the past 20 years for putting no trespassing signs on all public outhouses. LYNN CARPENTER would have won Miss Farm Yard Queen but in the talent show she fell off the tractor and was run over by the plow. After getting his start on Junior Prom night, RICK JOHNSTON now builds trailer houses identified by his famous head imprint on each door. ALVY BOBBITT, a famous band director, features C.J. SHEFFER, well known for her four hour dance routine that ends with a big bang. MONTE COLLINS has been arrested for indecent exposure--he took his helmet off. STEVE FISHER a wine connoisseur, fell into a wine vat and drowned happily ever after. STEVE COOK has talkin over the nickname "Gentleman" Jim Corbett since his last bare-knuckle fight. PAUL TAYLOR, after 20 years in the National Guard, was made a buck private, but had to leave to practice his piano before the promotion. DAVID HARBE, a scientist, has invented an indestructable rose bush. LYNN HUDSON has become the best police officer in Stockton because in his youth he learned all the tricks of the trade. LILA HULSE is leading an expedition in Africa in search of the famous Dr. Dunning to cure her ills. AVA GREEN is nationally famous for her role in BOB KENNEDY'S Broadway production of "Ava Jean Green, the Trampoline Queen." Did you hear about STEVE SCOTT'S parachute not opening! It's all over town! CHERYL ROY is the gay manager of Webster Reservoir although the lake went dry 20 years ago. And ELDA PULEC is still searching for the lake in order to get her maintenance job back. LILA SCHILOWSKY and MARCIE SMITH are co-drivers in the Corvair Baja River Race. Unfortunately, while crossing the river, they got stuck and were up the creek without paddles. JIM STICE has become an evangelist who doesn't believe in miracles. BECKY WALLER is now an Indianapolis 500 race car driver and JERRY HARDING stars as her one man pit crew. LEROY CABBAGE is now a famous men's hairdresser and his specialty is cereal-bowl haircuts. BOB GLENDENING has his own private harem. It's called Glendening's Body Shop. KATHY DELANEY is known as Florence Nightengale II but instead of carrying a lantern, she carries a cigarette lighter. DEBRA GRIMES and DONALD PALMER have gone into business together; Debbie is a ventriloquist and Donald is the dummy. BOB SAUNDERS, halfback for the Kansas City Chief, was recently fined for breaking training rules of which his girl friend Jeanne Jacobs is not a strong backer. BRENDA HUNTER is now serving a ten-year prison sentence for hijacking a pilot. She exclaimed, "All I said was 'Hi, Jack'". TERRY EGGERS is owner of a large sheep ranch and has developed a new breed of sheep. Nurse DEBRA HRABE was dating Peter Pan until she dumped him. CINDY TURNBULL is helping JOHN HAGEMAN train for quarterback position on the Dallas Cowboys-- she intercepts his passes. TINA ROGERS has just won the olympic gold medal for the best one-man volleyball team. LIZ ZOLLER, the owner of a chain of kissing booths has written a book entitled, "101 WAYS TO PUCKER UP." RANDY NYP filed for the job of cemetery cartaker since he knows the area so well. CINDY VOTAPKA was fired as U.N. translator when she talked the United States into 5 wars at one time. ALAN LESAGE is the author of the recent best seller, TO DRIVE AND DRINK OR DRINK AND DRIVE.
